We Make It Easy For You

We have simplified the process for you. We help you to offer customer's preferred payment method. Now, you can give your customers the freedom to choose and feel comfortable knowing you're maximizing sales.

Wired & Wireless Terminal

We provides total processing capabilities for credit, debit, loyalty and purchasing cards for all major card types, QR Payment and technologies using Full Android Terminal (with enhanced innovative apps*) or Traditional Wired or Wireless Terminal. **(3, 6, 12, 24 months instalment plan with HSBC/SCB Credit Card)**

Accept All Major Forms of Payment

At Seven7 with our payment services principle with Global Payments, we want to make it easy for you to do business which is why we provide access to all major forms of payment technology.

Online Payment - Maximize Your Revenue

Our online payment offerings are designed to help you reach, convert, and retain more customers.

Accept Multiple Payment Methods

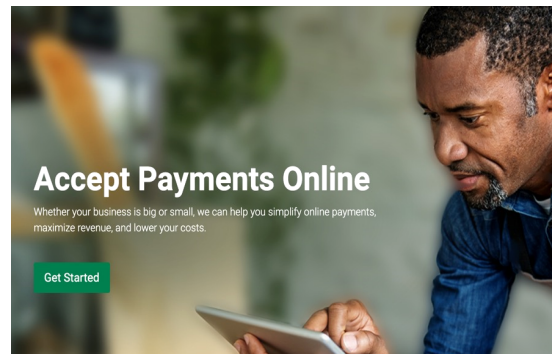

Reduce checkout friction by displaying your customers preferred choice from among 140+ payment methods worldwide. From credits and digital wallets to payment upon delivery, we've got you covered.

Simplify Repeat Transactions

Use secure card storage to simplify the repeat transactions. Offer convenient features like one-click checkout and recurring billing to keep customers coming back.

Reliable Service, 24/7

Our call support ensures you can accept payments anytime. Our Customer Support Team is available 24 hours a day, every day via phone or email.

MPOS Pay: Take Your Business Anywhere

In-store or on-the-go, get paid fast with our powerful mobile point of sale application and card reader. MPOS Pay works with Android smartphones.

Accept Multiple Payment Methods

Our small but mighty card reader, paired with Mobile Pay app, let you do more on-the-go. Accept the most popular forms of payment including chip cards (EMV), contactless including Apple Pay, Google Pay, Samsung Pay, magstripe, cash and check transactions.

You can also:

- accept tips
- text or email receipts
- send digital invoices
